### **CLIVE WRIGHT**

The Board of Bassari Resources Limited (ASX: BSR) is deeply saddened to announce the death on 30 August 2011 of Mr Clive Wright, a non-executive director of Bassari.

Mr Wright was the initial Chairman of the Board and provided tireless and enthusiastic leadership and support. Mr Wright was an outstanding all round mining man having served the mining industry in many capacities over forty years. He commenced his mining career in South Africa and saw the great potential for Australian companies in West Africa. This great enthusiasm led to the obtaining of exploration permits in Senegal and to the formation of Bassari and the company's listing on the ASX in January 2008.

The Board and Australian and Senegal management and staff of Bassari offer their deepest condolences on Clive's passing to his wife, Coralie, and to his family.
