Appointment of Director – Mr Jonathan Warner

Bassari Resources Limited (ASX:BSR) is pleased to announce that Mr Jonathan Warner will join the Board as a Non Executive Director of the Company in August 2011. Bassari is strengthening the Board to provide a greater mix of corporate, technical and financial expertise. Mr Warner joining the Board is a significant step forward in this process.

Mr Warner has more than 20 years experience covering corporate advisory, banking and legal fields in both international and domestic transactions. He specialises in mergers and acquisitions and holds Honours Degrees in Economics and Law. He is a founding Director and Principal of financial services consultancy, F.I.M.A. (Financial Institutional and Management Advisory) with practitioner skills covering capital markets, credit/risk assessment, institutional structures, compliance and merger and acquisitions transactions. He was a senior associate at Allens Arthur Robinson and was a senior advisor in National Australia Bank's Group mergers and acquisitions area.

The Board welcomes Mr Warner's decision to join the Board and believes his diverse experience will benefit the Company in executing its exploration plans focused on discovering multimillion ounce gold deposits in the Birimian Gold Belt, Senegal, West Africa.
